Mr. Evanoff,

Attached is the updated Region 43 700MHz Plan dated October 28, 2015 with the addition of two corrections. These are:

- Channels 1-12 and 949-966 have been corrected to reflect that these are United States/Canada Shared.
- Channels 301-302 are corrected to reflect that these channels are primary to Canada rather than the United States.

Please contact me with any questions.

Thank You.

Sincerely,

A handwritten signature in blue ink, appearing to read "S. Bahner", is written over a faint, light blue circular watermark.
